## PROFIL

Third-year Physics-Chemistry student at the University of Picardie Jules Verne (Amiens), with a background in process engineering. Skilled in laboratory work and process modeling, with experience in pharmaceutical and petroleum environments. Seeking a Master's degree in Quality Control and Analysis.

## EDUCATION

### • Bachelor's Degree (3rd Year) 2025 – 2026

**University:** Picardie Jules Verne, Amiens, France

**Major:** Physics (Physics-Chemistry track)

### • Master's Degree (Year 1) 2024/2025

**University:** University of Houari Boumediene (USTHB), Algiers, Algeria

**Major:** Pharmaceutical Engineering

### • Bachelor's Degree (Years 2–3) 2022 – 2024

**University:** M'Hamed Bouguerra, Boumerdes, Algeria

**Major:** Process Engineering

### • Bachelor's Degree (Year 1)

**University:** M'Hamed Bouguerra, Boumerdes, Algeria

**Major:** Major: Science and Technology

### • Baccalaureate 2020/2021

**Specialization:** Experimental Sciences

## SKILLS

- Strong adaptability and teamwork
- Punctual, serious, and motivated
- Knowledge of unit operations
- Proficiency in software: HYSYS, MATLAB, ASPEN
- **Microsoft Office:** Word, Excel, PowerPoint
- Laboratory work experience
- Process design and optimization
- Quality control and analytical techniques

## INTERNSHIPS

### • First Aid Training (Premiers Secours Citoyen)

November 2025–Ailly-sur-Somme, Amiens, France

### • IT Training (Office Tools)

April 2024–Ecole Informica, Boumerdes,

### • End-of-Study Internship (Bachelor's Level)

March 2024–Sonatrach – Algerian Petroleum Institute (IAP), Boumerdes, Algeria

### • Internship in a Pharmaceutical Laboratory

February 2023–Pharmacie AMROUCHE, Boumerdes

### • Thermogravimetric Analysis (TGA) Intern-TGA User Manual Development

March – April 2026–(UPJV), Amiens, France

## LANGUAGES

**French:** Upper-Intermediate    **English:** Intermediate    **Arabic:** Fluent    **Kabyle:** Native language
